

TO: Provost Peter Lange  
FROM: Bill Chameides, Dean of the Nicholas School  
DATE: December 5, 2007  
SUBJECT: Proposal for Joint Master of Environmental Management and Master of Engineering Management Degree

Dr. Lange,

On behalf of Dean Rob Clark and the Nicholas and Pratt faculty who have developed this document, I forward the attached proposal for Joint Master of Environmental Management and Master of Engineering Management Degree. This document is an updated version, approved by both Deans, to replace the version you received from Bill Schlesinger last spring.

It is my understanding that you will forward this proposal to the Executive Committee of the Academic Council. Before doing so, please feel free to contact Brad Fox ([brad.fox@duke.edu](mailto:brad.fox@duke.edu)) and Roshena Ham ([roshena.ham@duke.edu](mailto:roshena.ham@duke.edu)) with any questions or for additional information.

Best Regards,

William L Chameides  
Dean of the Nicholas School

cc. Brad Fox, Executive Director, Master of Engineering Management Program  
Roshena Ham, Coordinator, Energy & Environment Program
