MEMORANDUM

To: Executive Committee of the Academic Council

From: Peter Lange

Re: Nicholas School of the Environment and Earth Sciences

I am pleased to submit the attached request from Bill Chemeides, Dean, Nicholas School of the Environment and Earth Sciences requesting the name of the School be changed to the Nicholas School of the Environment. The request was presented to the Academic Programs Committee on April 2, 2008 and was strongly recommended for approval. I submit this request to ECAC for discussion and consideration with my fullest support.
